Bugünlere gelmemizde emeği bulunan, konularında uzman ve sürekli kurumsallaşarak genişleyen Mis Plastik ailesine ve bizi tercih eden siz değerli müşterilerimize teşekkürü bir borç biliriz.

Plastic, metal and wood accessories used in the furniture production are continuously improved and triggered by new technologies and designs. The needs vary from the final user to the producer. Misline, which is a pioneer in making the innovations into product, continues to add value and aesthetics to your furniture through renewed product range.

In addition to our leading position in furnishing accessories and our high production capacity, our products of various design and easy function make your furniture stylish and impressive.

In the current competitive environment, meeting customer requirements does not only depend on the price of the product, it also needs to be high-quality, safe and just in time.

We would like to thank to you our valuable partners as well as to Mis Plastik family members each expert in their field having had high contribution into today's success and helped our company expand and institutionalize.

Используемые в производстве мебели аксессуары из пластика, металла и дерева постоянно обновляются и находятся в динамике с происходящими изменениями в дизайне и технологии. Требования потребителя к производителю меняется каждый день. В связи с этим прогрессом, следя всем этим новшествам и быстро превращая потребности в продукцию, компания Мислайн с обновленной продукцией продолжает придавать вашей мебели эстетичность и ценность.

Наша позиция лидерства в сфере аксессуаров в основном для мягкой мебели и возможность производства продукции высокого объема, а также простота применения продукции разного дизайна дает возможность выглядеть вашей мебели изящным и впечатляющим.

Находясь в среде конкуренции, для удовлетворения потребностей клиентов, продукция должна быть не только качественной, но и немало важную роль играет экономичность, надежность и своевременность доставки.

Мы благодарны вам, дорогие наши партнеры, что вас заинтересовала продукция компании Mis Plastik.
